

weddings
with company of flowers

Thank you for contacting me about your wedding.

My name is Esther Bosshard. I come from a family passionate about gardening, and I grew up with the conviction that both gardens and flowers are essential for our wellbeing.

It would be my utmost pleasure to provide exquisite flowers for your wedding celebrations.

Trained as a painter, I use my passion for colour, form and texture to create unique, beautiful and seasonal flower arrangements. Since 2018, I have been using fresh, organically grown flowers, harvested from my gardens around Dunedin, complemented with wild and foraged blooms and grasses. I particularly love old-fashioned and heritage varieties, rarely available at florist shops.

I am available for weddings within and beyond Dunedin. Please be prompt in contacting me to ensure I am available for your special day. I look forward to hearing from you again.

Esther Bosshard

Sinead Jenkins
